2025 Operations Team Introductions

We're excited to welcome **Chandler Stumler** as our new Operations Manager! Chandler has been with HNS Sports Group for four years and currently lives in Indiana. Through the PGA TOUR Champions' partnership with HNS Sports Group, he'll be helping out with operations for our owned and operated events.

A couple fun facts about Chandler are that he was homeschooled for three years and has broken 12 bones (yikes!). We're thrilled to have him on the team and can't wait for you to meet him.

Jordan Munoz is joining our team as an Operations Intern. He is a senior at Arizona State University studying Sports Business and has gained hands-on experience working with the Arizona Cardinals, Arizona Diamondbacks, and Arizona State Athletics, giving him valuable insight into sports operations. In his free time, he enjoys playing golf and watching all kinds of sports.
